Dear Dr. Shukla:

Namaste!

It is with a great pleasure I am writing this letter to inform HMEC Management that SSVT as one of the host temples thanks the management for giving us the opportunity to participate in the Hindu Mandir Executive's Conference 2009. As a new member of the team I personally enjoyed all aspects of the planning sessions and was very pleased to see that all the participating temples enjoyed the seminar.

It was a real pleasure working with the HMEC management team and the other two host temple in the planning process. Each one of you contributed immensely in making the event happen. The sincerity, kindness, and promptness of the group was a major reason why the event went smoothly even though the agenda was so full. It was a good learning experience for me working with an experienced and enthusiastic group and the understanding and respect went a long way in making it a very productive and enjoyable learning experience for us all.

Thank you once again for your kindness and I look forward to working with you in the next conference and I am looking forward seeing you all next year.

Mythili Bachu
